

DIRECTIONS CNL TOWER I

Take I4 east to exit 82b South Street.

Make a right at end of the service road onto South Street.

Go over railroad tracks and make a right into the parking garage before the light (Boone Avenue).

If you miss the entrance, make a right onto Boone Ave. and a right into the other parking garage entrance.

Get a parking ticket to bring into building for validation.

Park in any space not marked “reserved”.

Take the third floor pedestrian bridge from garage over to the CNL Tower I building.
(there are two; this is the lower, southern-most bridge)

This will wind around until you see the security desk on the other side of the escalators.

Stop at the security desk to obtain a visitor’s badge and proceed to the elevators.

Take elevator to 14th floor and walk away from the reception desk.

You will see the big double doors opening into the executive board room.
